Adams Police Department Monthly Report May 2018

Meetings/Training Attended

During the month of May I attended City Council, various City Committee, and Adams County Crisis Response Community meetings.

Calls for Service, Citations, and Written Warnings

Officers handled 140 calls for service, and issued 39 citations and 19 written warnings during the month.

Department Activities/Announcements

Officers were issued Narcan and have had three uses of it already. The City continues to see a rise in overdoses related to opioid abuse.

Officers are continuing property maintenance checks throughout the City and will be contacting owners that have property not in compliance with City ordinances.

With school ending soon I would encourage residents to slow down and watch for any children that may be playing near the roadways or traveling on bicycles throughout the City..

I found a used seat and door panel for squad 10 and installed them. Squad 10 also had damage to the fender liner and fender flare. I got three repair bids and Abra Auto Body was low bid at \$300.29.

Jason Lauby – Interim Chief of Police
