Adams Police Department Monthly Report June 2018

Meetings/Training Attended

During the month of June I attended City Council, various City Committee, and instructor update training.

Calls for Service, Citations, and Written Warnings

Officers handled 165 calls for service, and issued 67 citations and 55 written warnings during the month.

Department Activities/Announcements

Officers were individually issued Evzio Naloxone auto-injectors (Narcan). We were awarded a grant from Kaleo enabling us to equip each Officer with two doses without any costs to the City.

Officers are continuing property maintenance checks throughout the City and will be contacting owners that have property not in compliance with City ordinances.

We have assisted Public Works with contacting property owners in violation of grass mowing ordinances. I would encourage residents to keep lawns cut regularly to be in compliance with ordinance.

I have ordered the Watch Guard evidence software and hope to have it up and running in July. This will allow us to properly store and view footage from the body worn cameras.

I have two part time Officers that will start training the near future. Both have full time experience so I hope to have them going by late July. Part time Officers are needed to maintaining 24 hour a day police coverage at a reasonable cost to the City. They are used when full time Officers take paid leave such as vacation, compensatory time, and sick time.

Jason Lauby – Interim Chief of Police
